“Abraham Lincoln Presentation”
Keith Erekson, Presenter

On February 12th, a group of faculty, staff, area teachers, and students spent the evening with Keith Erekson, who engaged everyone in an interactive talk about Abraham Lincoln. Through the use of primary sources and a power point presentation, participants became historians trying to determine if Lincoln was a Hoosier.

Review of the formative years Lincoln spent in Indiana and their impact on his life, as the most studied American, answered the question. Yes, our Abraham Lincoln was a Hoosier.
