**Other Reports:**

**President’s Report 1/30/04**

I. Board of Trustees  
   a. Meeting today in Bloomington.  
   - I’m sorry that I can’t be at today’s Senate Meeting but today is this month’s BOT meeting. I’ll be providing the Senate with a full report on what transpires at today’s meeting. Topics to be discussed will be the A+=4.33 policy, university insurance, among other things.  
   b. Next Meeting – February 26th & 27th at IUB  
   - Anyone who is interested in attending this meeting should contact Matt Troutman and have him make reservations for you.

II. Presidents’ Council  
   a. Campus Kickoff Week  
   - Thanks to all of the volunteers that helped to make this Campus Kickoff Week and Student Activities Fair successful events.  
   b. Freshman Rush Party  
   - We will be throwing a party for the students from the Freshmen Learning Communities on Friday, February 6th at 11:30. It is important that we have strong representation from Student Government at this meeting so I would encourage as many Senators to go as possible. By now, all of you are aware (or should be aware) of how important recruitment and retention is for Student Activities and how that translates to retention for the university as a whole. Please let Sabina or I know if you will be able to attend. I hope to see several of you there.
   c. Kresge Science Initiative
The student portion of the Kresge Science Initiative has, thus far, been floundering. It is EXTREMELY important that the university gets student participation in this fundraising drive. It is incumbent upon us, as student representatives and leaders, to help make this drive successful. It is important, not only because the science equipment is sorely needed, but also because future funding (possibly for a recreation center) would most likely come from the Kresge Foundation. If we are unable to meet the challenge that they have set forth for us now, our chances of receiving a grant from them in the future are practically nil.

III. Leadership Council
a. Last Meeting – cancelled
b. Next Meeting – February 18th at 9:00 a.m. in the Bogle Room

IV. Faculty Senate
a. Last Meeting – January 26th at 2:30 p.m. in KC130

• None of the items discussed on the agenda pertain to the students. If you would like a detailed report of what happened at the meeting, please see me on an individual basis.

b. Next Meeting – February 23rd at 2:30 p.m. in KC130

V. Hoosiers for Higher Education
a. Statehouse Visit – February 23rd ALL DAY

• The annual statehouse visit is easily one of the most important events that student government participates in each year. Lobbying on behalf of higher education is important in order to help the university secure funding for degree programs, capital improvements, and general operating costs. Also, the amount of state funding provided to Indiana University DIRECTLY EFFECTS THE ANNUAL INCREASE IN YOUR TUITION. I urge all of you to talk to your professors, tell the students in your classes, and do what you can to recruit students to attend this event.

• If you are interested in going, contact Cathy Hightower in Alumni Relations and reserve your seat on the bus. Also, most professors will readily excuse students from classes in order to attend the event and some ever offer extra credit for those who report on it.

VI. SAO Treasurer
• I would like to officially appoint Candy Cheung
