**Disciplinary Probation:** A student organization may be placed on disciplinary probation for a specified period of time under conditions specified in writing by the Dean of Students and/or SLL, with a warning that any violation of the conditions or any further acts of misconduct may result in additional educational initiatives and punitive sanctions, including suspension or expulsion from the university. A serious warning that subsequent infractions of regulations may result in a student organization's suspension.

**Social Restrictions** prohibit the student organization from participating in the parties or any other formal or informal social events, with other student organizations and individual students either on or off campus.

**Campus Restrictions** prohibit student organizations from participating in some, or all, university events and privileges. Events include, but are not limited to, Homecoming and Little 500. University Privileges can include but not limit to, removal of check listing benefits, academic reporting, and judicial releasing from SLL.

**Deferred Suspension:** Organizational suspension from Indiana University may be deferred for a period of time, with the provision that a lesser sanction(s) be completed within that period of time. If the lesser sanctions are not completed in the time period assigned the deferred sanction will automatically go into effect, and the student organization will have no further opportunity to appeal the deferred sanction. Additionally, an organizational suspension will immediately take effect if the organization is found responsible by administrative conference or an additional SOEB conference.

**Suspension:** Organizational suspension from Indiana University means the student organization will cease and desist all activities and disband. The length of a suspension will be proposed by the SOEB or Administrative Conference Board and decided by the Dean of Students.

**Suspension of Activities:** Interim measure placed upon certain aspects of chapter operations when there is an immediate threat or ongoing investigation.
