Faculty Board of Review

If a case remains unresolved at the end of the academic year, the case is not passed on to the next year's committee when its term commences. Instead, the committee that first took up the case will continue to address that case until it is resolved. If a member separates from the university prior to the completion of a case (or takes a sabbatical or leave of absence) or resigns from the committee, the Executive Committee shall appoint a replacement to complete the review of the case.
