

## Admission and Academic Affairs Committee Meeting Minutes

January 7, 2008

1. Committee heard scheduled student appeals .
2. This was the first time a packet designed by the AAA committee was handed out to each student that was reinstated in efforts to facilitate the student to be academically successful. The student is to return the completed packet to Cheryl Stafford in May, 2008. Guidelines were given to each re-instated student at the appeals hearing.
3. The committee discussed administrative withdrawal document and no news had been received regarding this charge at this time. This charge is still being investigated and will be addressed at later meetings.
4. The committee members also discussed the charges left for the AAA committee to review and with Noel Levitz addressing retention, the committee's charges have lessened.
5. Members discussed when meeting times would work with their schedules and plans for meetings and agendas were discussed.
6. Copies of the final number of appeals were reported to Exec. Vice Chancellor Laurence Richards.
