

Triple A committee meeting was cancelled for May , 2008 due to:

1. Information was still being collected on issues involved with Administrative Withdrawal charge
2. Consensus of members of the committee agreed a meeting was not needed this month as no new business was involved.
3. Retention Committee had taken charge of several of the issues the Triple A Committee had been assigned so the committee had no new business

Michele Curry

Chair of Admission and Academic Affairs Committee 2007-2008
