Present: Peggy Branstrator, Betsy Kirk, Kumara Jayasuirya, Jerome Mahaffey, Kathleen Kreamelmeyer. Minutes by P.Branstrator

Absent: Sheila Armstead

Guest: T.J. Rivard

1. Discussed revisions to the Minor in Creative Writing – name change, increase in hours, new literature component and requirement for 9 hours at the 300 level or higher. We decided these are substantive enough to require a vote. For maximum clarity, T.J. Will write it up following the form of a new proposal. We passed the amended minor.
2. Discussed 2 new certificates - Creative Writing and Literature- and a new Minor in Literature. All 3 were passed with minor revisions.
3. Discussed initiating some discussion about the campus-wide information literacy requirement. There have been several questions asked on campus recently. We decided to start with division discussions. Peggy will generate a few questions to guide the discussion and committee members will take this to their respective divisions and bring back comments.
