Gregory Dam  
Amanda Kraha  
Roger Crane  
LaDonna Dulemba

I. Minutes

- Approved

II. POLS Y377

- ESI 5 has issues with the percentages not matching the points. We recommend fixing them to making the two sets of numbers reconcile, or just remove the reference to points.  
- Conditionally approved

III. POLS Y333

- Approved

IV. Minor in Economics

- The School of Business requests to table the approval. Will be resubmitted at a later date.

V. BUS X485

- throughout the document there are several unidentifiable characters appearing. It may be due to formatting, but request the document be reexamined.  
- ESI 1. - take out dates for this specific trip and reference for the specific country. We recommend the course be generalized in case other faculty decides to do an overseas study course to another country and at another time.  
- ESI 4. - remove all references to specific countries  
- Conditionally approved

VI. INFO C Courses

- General issues and concerns:

\*Need to go back and look at delivery/instructional methods. Right now they are all listed as online. May want to offer on campus or through other deliver modes in the future. Also, need to reexamine courses for overlap and equivalencies with other courses on campus.

- Specific course issues

A. INFO C 100 - no issues
