

Rationale

Due to the implementation of many common dates and deadlines across all IU campuses, the duties of the Calendar Committee have changed. The proposed revision to the Bylaws would more accurately represent the current responsibilities of the Calendar Committee.

Current Bylaws

3.10 Calendar Committee

The Faculty Senate shall have a Calendar Committee. The composition of the Committee shall be based on Bylaws Section 1.2 with the addition of four ex-officio members (one non-voting representative each from Academic Affairs, the Registrar, the Student Body, and Purdue Programs). The Committee shall meet each year to address the following duties and responsibilities:

- A. Periodically review the Indiana University Kokomo Calendar Principles and recommend changes to Faculty Senate.
- B. Ensure that all proposed Indiana University Kokomo Calendars are consistent with other IU campuses and the all-campus guidelines provided by UFC.
- C. Prepare specific calendars to recommend to Faculty Senate. Each year a rolling five-year calendar should be presented for approval.
