IVY Tech College Transfer Fair

Ed Stipp shares program requirements

Ed Stipp and Charlotte Miller represented IU Kokomo and the Division of Education at the IVY Tech Transfer fair in Lafayette on Tuesday, October 2, 2007. Representatives from 17 institutions shared program requirements and transfer procedures. Ed and Charlotte spoke with at least 50 students during the day.

Upcoming Fall Education Workshop

The 26th Annual Fall Education Workshop, Enhancing Student and Staff Morale, will be October 9, 2007.

The keynote speaker will be Liz Douglass, Western School fourth grade teacher. Her focus will be using strengths to create and maintain a talented school. What would school be like if we all concentrated on what we do well? Imagine a place where everyone is looking for the good in every student. Imagine a curriculum that focuses learning on how every child learns best. This is possible and teachers can direct their efforts on identifying and enhancing student and staff talents.

Presenters for the breakout sessions include Melissa Burkhalter and Janelle Quinn, Western Intermediate teachers, and Claudette Renfro, Pettit Park School Principal.

Week of
Monday, October 8 –
Friday, October 12

Fall Semester
2007

MeshEd Portfolio Work

Margaret Davis, Debbie Sheets and Jenifer Coy

Five members of meshEd met on Sunday, September 30th, in the Division of Education CuLab to review and revise their e-Portfolios under the direction of Dr. Ogawa. In preparation to meet the Formative e-Portfolio Evaluation, their work included generating, digitizing, and posting of artifacts, and writing reflective statements.

Curriculum + Math Lab

Alise Miller, Rachel Schnitz and Professor Gottemoller

Students enrolled in MATH-T 109 met in the Division of Education CuLab on Wednesday, October 3rd to utilize Base 4 Blocks. They practiced using these mathematics manipulatives under the direction of Professor Gottemoller.
