National Council on Economic Education

Congratulations to Drs. Margo Sorgman and Kathy Parkison who presented a paper from their course on entrepreneurship education in spring 2007, "The Future is Now: Preparing K-12 Teachers and Their Students for an Entrepreneurial Society," at the National Council for Economic Education Conference in Denver, Colorado on October 5, 2007.

Elementary Education Art *Methods M 333*

Elementary Education students in EDUC-M 333 Art Experiences for the Elementary Teacher, model the teaching of art concepts. During the first grade lesson, under the direction of instructor Dick Evans, the students created a hat to demonstrate knowledge of 3-dimensional objects vs. 2-dimensional objects.
