General Information

ENROLLMENT AND FEES. The regular enrollment period begins June 15 and continues through June 17. *Early enrollment is advised since classes will be limited in size.* Fees must be paid in full at the time of enrollment, at the rate of \$10 per semester hour. In laboratory courses an additional fee is charged. No change may be made in enrollment status until June 24; application therefor must be made in writing on a form available at the office.

During the enrollment period, June 15 through June 17, enrollment hours will be 12 m. to 4 p.m. and 6 to 8 p.m.

ADMISSION. Admission requirements of the University Center should be checked by the students with the Academic Counselor. Briefly these are: Students with no previous college work must file application for admission to Indiana University. Students transferring to the University Center from either the Bloomington campus or another university are asked to file at the time of their enrollment a statement indicating good standing with their school. Enrollments will be contingent upon clearance of admission credentials before the end of the fifth week of classes. Adults wanting to take work on non-degree programs will enroll as special students in which instance formal admission is not required.

ACADEMIC COUNSELING. An academic counselor will be available both during the enrollment period and during the summer session to assist students in planning their programs. Seven to eight hours constitute a regular full-time summer program; those employed full time should not take more than a two- or three-hour course. Students should make certain that appropriate prerequisites have been met for the courses in which they wish to enroll. Orientation tests will be offered June 29, 2-4:30 p.m.

WITHDRAWALS. All students withdrawing from any class should make application in the University Center Office for an official withdrawal. Unless this is done the student will automatically receive a grade of WF. LIMITED refunds are available upon approved withdrawals until July 8.

VETERANS. Veterans under P.L. 346, or Korean veterans enrolled at the University Center or on the Bloomington campus during the academic year 1954-55 are required to recertify in order to enroll for the summer session. P.L. 346 veterans lacking such authorization will be required to pay for fees and books, which payment will be refunded during the session upon presentation of appropriate authorization and receipts covering fees paid and books purchased. Veterans having special questions should confer with the local Veterans Administration Office on the sixth floor of the Whitcomb and Keller Building. All veterans enrolled under P.L. 16 must check with that office before enrolling. Korean veterans not previously enrolled in university work may obtain Application for Program of Education (Form 7-1990) at the University Center Office.

SMOKING. Both state law and high school policy forbid smoking in and around public school buildings during the day. After 5 p.m. smoking is permitted outside the building only. The registration of any student who refuses to observe such regulations may be canceled with full forfeiture of credit and without financial consideration.

OFFICE AND LIBRARY HOURS DURING THE SUMMER SESSION. Office hours: Monday through Thursday, 9 a.m. to 4:30 p.m., and 6:30 to 8:30 p.m.; and Friday, 9 a.m. to 4:30 p.m. The University Center Library will be open Monday through Thursday, 12:30 to 8:30 p.m., and Friday, 12:30 to 4:30 p.m.
