

# CeDIR Citings

A publication of the Center for Disability Information & Referral

Indiana Institute on Disability and Community, Indiana University-Bloomington

Volume 8, Issue 1

Spring 2014

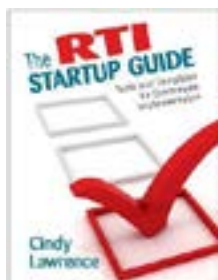

## Welcome!

In this edition of CeDIR Citings, we'll look at Response to Intervention/Instruction, a method of academic instruction providing assistance to children who are having difficulty learning. RTI uses a combination of early intervention, frequent assessment, and increasingly intensive instruction. Here we have included both library materials that can be checked out and websites on the topic.

## Book Review:

*The RTI Startup Guide:  
Tools and Templates for  
Schoolwide Implementation*  
By Cindy Lawrence

Want to learn about HOW to put together an RTI system in your school? The RTI Startup Guide: Tools and Templates for Schoolwide Implementation is an all-inclusive guide that outlines the steps to establish an RTI team and system. The book features checklists, forms, templates, examples, and tools necessary to streamline implementation. Written by an educator with over 20 years of experience in schools and coordinated the RTI system in her district.
