## 2009 Employment Specialist Training (EST) Calendar

---

The Indiana Supported Employment Training Team (ISETT) is pleased to announce its 2009 Employment Specialist Training Workshop schedule. EST is designed to provide basic skills training to service providers who have worked as employment specialists for less than one year. To date, EST has certified over 2,500 employment specialists in Indiana.

What do folks have to say about EST... "Speakers were very informative and easy to understand! They gave creative solutions to underlying issues we confront daily in this business." "The materials provide excellent resources for me to use in doing my job. I am so excited to go home and implement everything I've learned." And finally, "Hands down the best training and most practical program I've ever attended!"

Attendees learn best practice in job and career development, employment support planning, ecological analysis, follow-along, and emerging industry trends. EST is a six-day training split into two sessions which are held one month apart. An exit test is required for participants seeking certification. Individuals who attend all days of both sessions and successfully complete the exit test, receive a competency-based certificate from Indiana University. CEUs and CRUs are available.

Training dates and locations include:

February 17-19 and March 24-26, 2009

Easterseals Crossroads  
Indianapolis, IN

May 5-7 and June 2-4, 2009

Indiana Institute on Disability and Community  
Bloomington, IN

August 4-6 and September 8-10, 2009

Easterseals Crossroads  
Indianapolis, IN

November 3-6 and December 1-3, 2009

## TEACH Five Day Classroom Training Program

Division TEACH and the Institute's Indiana Resource Center for Autism, in collaboration with the Monroe County Community School Corporation, will host a five-day classroom training program for professionals who work with students with autism.

Current practices and pressures in the field of special education have increased the need for comprehensive training for working with students with autism and other severe behavior, learning, and communication difficulties. TEACCH® combines hands-on classroom experience, lectures on topics related to working with students with autism, and group discussions of classroom activities.

Teachers, psychologists, physicians, speech and language therapists, as well as researchers, clinicians, and interested others should plan to attend this workshop. Registration fee is \$1,600.00 per person. Certificates of Attendance, CRUs, CEUs, and graduate credit will be offered. Graduate credit registration and course information will be available on the first day. Questions regarding workshop content, contact Catherine Davies at (812) 855-6508 or e-mail [daviesc@indiana.edu](mailto:daviesc@indiana.edu). Registration questions may be directed to Kelly Doyle at (812) 855-6508 or e-mail [keadoyle@indiana.edu](mailto:keadoyle@indiana.edu).
