

AGREEMENT BETWEEN
IVY TECH COMMUNITY COLLEGE
AND
INDIANA UNIVERSITY KOKOMO
FOR THE TRANSFER OF CREDITS EARNED IN THE
ASSOCIATE OF SCIENCE IN SOCIAL AND BEHAVIORAL SCIENCES INTO THE
BACHELOR OF ARTS IN PSYCHOLOGY

The purpose of this agreement is to provide a framework for the transfer of credits earned in the Associate of Science in Social and Behavioral Sciences at ITCC to the Bachelor of Arts in Psychology at Indiana University Kokomo.

The faculty of both institutions have worked together to develop the attached listings of course equivalencies, course requirements for the associate degree, and course requirements for the completion of the baccalaureate degree. The agreement applies to courses taken at ITCC beginning spring 2007. Courses covered by previous transfer agreements still in effect will transfer as specified in those agreements. All other course work taken prior to spring 2007 will be evaluated by the faculty of Indiana University Kokomo to determine transferability. Both institutions will appropriately advise students that completion of the ITCC degree is not in itself a guarantee of a student's admission to the other institution, but is dependent on the standing admissions criteria and enrollment limits of that other institution.

This agreement will be reviewed every five years by representatives of both institutions, and may also be reviewed more frequently at the request of either institution, particularly if modifications are made to courses and/or degree requirements on either side.

Both institutions agree to keep the other aware of curriculum changes as they occur. While both parties to the agreement understand its purpose is to maximize transfer opportunities for students, they also recognize that limits may be placed on courses accepted under the provisions of this agreement, should the student subsequently decide to change to another program not covered by the agreement.
