PRESIDENT, STUDENT
ALUMNI COUNCIL:

Chancellor Wolfson, the Class of 1986
of Indiana University at South Bend
dedicates this tree to Indiana University.

GRADUATES:

We are grateful for the friendships we
have encountered here and the pleasant
associations of our college years.

CHANCELLOR WOLFSON:

May nature provide nourishment to her
and encourage her growth and beauty.

GRADUATES:

As we have been nourished through fact
and truth by all associated with this
University.

CHANCELLOR WOLFSON:

Gaining strength and beauty, she will
continue to enhance our beloved
Alma Mater;

GRADUATES:

As we shall likewise, through belief in
its aims, support of its activities and
love of the precious moments spent here.

CHANCELLOR WOLFSON:

May she not only remain a momento of
this great class, but serve as an
inspiration to all who may follow;

GRADUATES:

For the stature of an individual is
enhanced by this strength of knowledge
and beauty of wisdom.

CHANCELLOR WOLFSON:

With these thoughts we dedicate this
symbol of the Class of 1986.
