

ARTICULATION AGREEMENT

**Vincennes University
Associate of Arts in Liberal Arts
Philosophy Concentration
to
Indiana University Kokomo
Bachelor of Arts in Humanities**

The purpose of this Articulation Agreement is to provide a provisional framework for students at Vincennes University to continue their education toward the baccalaureate degree at Indiana University Kokomo.

To ensure the smooth transition from the associate degree to the baccalaureate degree, the faculty of both institutions have agreed that a student awarded the Associate of Arts in Liberal Arts, Philosophy Concentration at Vincennes University will receive 65 credits in transfer with Indiana University Kokomo when admitted to the university with a declared major of Bachelor of Arts in Humanities.

In order to benefit from this 2 + 2 program agreement, Vincennes University students must complete their A.A. degree with a sufficient grade point average to be accepted into the IU Kokomo program. In addition, only courses with a grade of C or above will be credited toward the baccalaureate degree. All coursework taken prior to Fall 2007 will be evaluated by IU Kokomo program faculty on a course-by-course basis in order to determine appropriate transferability.

To ensure consistency and accuracy, the curriculum will be periodically reviewed by representatives from both institutions. It is expected that both institutions will keep the other party aware of all curriculum changes as they occur. The agreement is effective at the time of the signing of this document, and can be modified by mutual consent or can be cancelled by either party with 24 months notice to the other party.

While both parties to the agreement understand its purpose is to maximize transfer opportunities for students, they also recognize that limits may be placed on courses accepted under the provisions of this agreement should the student subsequently decide to change to another program not covered by the agreement.
