

INDIANA UNIVERSITY

SOUTH BEND-MISHAWAKA CENTER

SUMMER CLASSES

June 17 to August 23, 1946

GENERAL INFORMATION:

The 1946 summer session will begin Monday, June 17 and continue until Saturday, August 23. Eight or nine semester hours constitute a normal load, however, students may take ten semester hours if necessary to complete their schedule. The enrollment period is from June 17 through June 22, however, students should attend the first meeting of classes even if enrollments are incomplete.

Fees in full must be paid at time of enrollment. (No fees are deferred in the summer session.) Students enrolling after June 22 will be charged a late enrollment fee of \$2.00. No refunds will be made after the fourth week of classes.

For further information call 3-1717 or call at the office of the Center in Room 220 of the South Bend Central High School. All classes are held in Central High School.

VETERANS:

Veterans who were enrolled during the past semester do not need new authorization papers for the summer term. Seven or more semester hours of work will be considered as full-time.

To avoid delay in starting training, the veteran, if he has not already been approved for training by the Veterans Administration, should bring his discharge papers when enrolling. The Extension Division will then enroll the veteran and defer the fee payments pending final approval of his case by the Veterans Administration. Veterans who have not made application for educational benefits should do so as early as possible. If Certificate of Entitlement and Eligibility has been received and veteran has not attended another school, entitlement should be brought to the office at the time of enrollment.
