## **Mairelys Lemus-Rojas Accepts Position as Metadata Librarian**

Effective August 15 Mairelys Lemus-Rojas accepted the Metadata Librarian position with the IUPUI University Library. Mairelys comes to us from the University of Miami where she worked as a Cataloging & Metadata Librarian. Her research interests include the information seeking behavior of online users in cultural heritage institutions, as well as the implications of integrating new technologies into these settings. More recently she has been working in exposing curated information to Wikipedia in an effort to provide access to underrepresented subjects and to increase visibility of our library collections. Mairelys received a Master of Science in Library and Information Studies from Florida State University with a concentration in Web Design/Technology & Networking. She was awarded certificates in Museum Studies and Information Architecture. She also holds a Bachelor of Fine Arts with a focus on sculpture/installation from Florida State University with a minor in Art History.
