Herbert S. and Virginia White Professional Development Award 2017: Call for Applications

Have a great idea about how to further your career, but need the money to do so?

Get funds for professional development!

The White Award has been established to support the career growth of individuals who have chosen librarianship as a profession. Employees of the IU Libraries system who hold an MLS degree or have equivalent experience are invited to submit applications for the Herbert S. and Virginia White Professional Development Award. All IU Libraries staff on all campuses in clerical, technical, and PA positions, and all individuals with librarian appointments are eligible to apply for this award. Further information about the award, the process, eligibility, criteria, and the application form are available on the web at: <https://www.sharepoint.iu.edu/sites/IUB-Libraries/Departments/LHR/SitePages/Forms.aspx>.

The deadline for applications is Tuesday, January 31, 2017. Please send your information to Julie Ranz Wilson, Advancement Associate, jranz@indiana.edu, Wells 234, Bloomington. The IU Libraries Scholarship and Award Committee will make the award decision and complete notification letters at the beginning of April. The award recipient's name will be publicly announced at Librarians' Day, scheduled for June.

Submitted by Rachael Cohen, Discovery User Experience Librarian and Chair, 2017 IUL Scholarship & Awards Committee

[Repair Manual](#), which documents many of the treatment procedures used in General Collections Conservation. It is a resource for staff who are responsible for the remedial care of the Libraries' research book collections, but it is also used widely throughout the book arts and preservation communities.

The original Manual was written by Garry Harrison, Head of General Collections Conservation from 2000 through 2012. Most of the content remains unchanged, but we've done away with the old "frames" navigation. All the instructions and images for each treatment appear on one page now, and can be saved and/or printed as a pdf for ease of use at the bench.

Although there are other good book repair manuals, both in print and online, this one has been quite popular because of the clarity and level of detail in Garry's writing, which is valued especially by those just starting out.

Submitted by Elise Calvi, Head, General Collections Conservation and Preservation
