The Indiana University Archives has been capturing the web content created by IU Bloomington offices for over a decade. We began by running trial crawls in late 2005, and in 2006 fully committed to the project. Archive-It, a service of the Internet Archive, allows us to harvest and build collections of web sites and other digital content. This summer, we expanded our scope to include the social media content of offices across campus. The IU Bloomington social media index identifies nearly 500 accounts across various platforms, including Facebook, Twitter, Pinterest, and Vimeo. While some accounts are more active than others, valuable content is continuously created and shared. This presentation will provide an overview of the social media collection, highlight some of the technical challenges we faced, and discuss the value the collection brings to the overall holdings of the University Archives.

You can also follow and contribute to the presentation and discussion on twitter: #dlbb.

The Digital Library Brown Bag series is held Wednesdays in the Herman B Wells Library from 12:00-1:00 pm EST. The complete schedule, including abstracts, is available at: <http://libraries.indiana.edu/digital-library-brown-bag-series>.

## IUCAT Classic Retirement Scheduled for December 17, 2017

IUCAT Classic will be deactivated effective Sunday December 17th following the completion of the fall semester.

All of the major functions of the SirsiDynix user interface are now available via the IUCat Blacklight interface (<https://iucat.iu.edu>) including browse and course reserves. Alternate access for the few remaining staff-only functions that require the SirsiDynix OPAC will continue to be available (more details to come on this aspect).

Our communication plan regarding the retirement is as follows:

- Sept. 15: Information about the planned retirement date will be added to the IUCAT Classic login page. A note will be added to all relevant UITS Knowledge Base articles.
- Oct. 15: Banner announcing the retirement date will be added to IUCAT Classic. A notification will be added to the IT Notices calendar. A news item will be posted on the IU Bloomington Libraries' website.
- Nov. 15: Additional notifications added within IUCAT Blacklight interface regarding IUCAT Classic retirement.

Following the retirement through the end of spring semester 2018, visitors to <http://classic.iucat.iu.edu> will reach a page that describes options available via the IUCAT Blacklight interface and directs them there.

If you have any questions or concerns about the planned retirement of IUCAT Classic please feel free to contact me directly ([crgreene@indiana.edu](mailto:crgreene@indiana.edu), 812-855-4217).
