

Q1 - For the first time in 50 years, IU South Bend does not offer university-supported childcare on campus. Should that service be made available to students, staff, and faculty again?

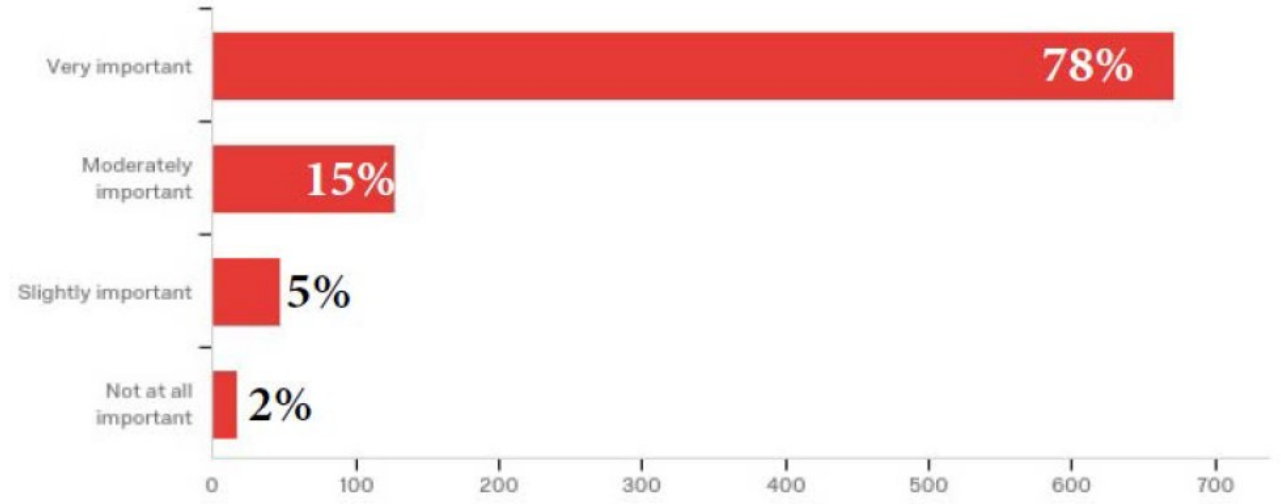

Long story short:

We received 887 responses.

- 67% students
- 18% faculty
- 15% staff

Q2 - How important do you feel IU South Bend childcare support is to the success of our students?

More than 1 in 3 had brought a child to class or office due to childcare issues.

Almost 1 in 4 know of students who miss classes or can't attend IU South Bend for same reasons.
