2018-2019 Committee Report

Committee Chair: Stephanie Medley-Rath

Committee Membership: David Rink, Peter Tupa

Committee chair conducted a special election (Sept. 10) to fill a vacant position on Board of Review.

Committee prepared the ballot for the March election. Quorum was not met.

Special meeting of the Faculty Senate was called for March 25. David Rink and other faculty counted ballots as Medley-Rath and Tupa were on the ballot. Agenda committee positions were filled. Board of Review resulted in two tenured faculty elected, but a tie was reached for the faculty without tenure. Upon consulting the bylaws it was determined that the way that BOR nominees are presented on the ballot needs revised.

The third BOR position was elected on at the April meeting. Rink and Medley-Rath counted ballots as Tupa was on the ballot.

Alternates are Gin Morgan, and then Peter Tupa, unless a tenured faculty member needs replaced, then Awny Alnusair would be the appropriate alternate.
