

2009-2010 semester Kokomo Faculty Senate Assessment Committee report

Submitted 23 August 2010 by John Minor Ross, Chairperson

---

The Committee met in the fall of 2009 to discuss what our role was and how to proceed during the coming semester.

Kathy Parkison, who also attended representing AA, said the current Senate committee role was to review reports submitted by majors to, and reviewed by, the Assessment Council under the auspices of AA.

As we received nothing to review during the semester, we did not meet again.
