

TO: Scott Jones,
Faculty Senate Secretary
FROM: Dianne Roden,
Calendar Committee Chair
SUBJECT: Report of the Calendar Committee
DATE: April 24, 2007

The Faculty Senate Calendar Committee, during the 2006-2007 academic year, consisted of the following voting members: Terri Bourus (HUM), Kevin Clark (SBS), Masoto Ogawa (EDUC), Dianne Roden (BUS), Candy Waters (NURS), and Songwen Xie (NIMS). The committee also had four non-voting members including: Tim Sehr (Academic Affairs), Melanie Hough (Registrar), John Vieke (Student), and Donna Evanecky (Purdue Faculty).

At the first meeting of the Calendar Committee, Dianne Roden was elected as Chair. The current IU Kokomo Calendar Principles were discussed. Since these Calendar Principles were thoroughly reviewed last year, it was agreed that there was no compelling reason to initiate any changes this year. Specific academic calendars for 2011 and 2012 were developed using the existing principles, and these were approved by the Faculty Senate on March 26, 2007.

Respectively submitted,

Dianne Roden,
Faculty Senate Calendar Committee Chair
