

CWA Local 4730

Membership Meeting Minutes

March 25, 2010

Present: Officers present included President Peter Kaczmarczyk, Vice President Audrea Davis, Treasurer Victor Kinzer, Members At Large Bryce Smedley and June Wickboldt, Staff Rep. Kimberly Goy, and member Jean Rhoads

Call to Order: 5:34pm with roll call of officers.

Minutes: No minutes from past meetings to approve.

Treasurer Report: Bank account: \$12,477.46
Post Office account: \$219.64
IU account: balance not available

Membership Report:

3 members have recently withdrawn and we have 3 new members. Bryce would like to contact SS that have become PAO to speak about organizing on IUB.

New Business:

Vice President Ed Vasquez is currently on his way to Cleveland, Ohio to attend Organizing Training offered through the District office. District is to pick up costs of attending.

State of University address – question concerning number of staff lost on campus. Reported in address that job losses stood at 147 but according to recent news release job losses stood at 237, this stated by Neil Theobold. Peter will contact Neil to discuss discrepancy.

Latest concerning Cyclotron and Support Staff – all have found jobs on campus that wanted them.

Red Cross Blood Drive – June contacted by Red Cross to see our interest in once again hosting blood drive on campus. Blood Drive is set for May 26 in Gresham Dining Hall. Plan on starting to publicize early for a better turn out. Interested in helping – contact June.

Committee Reports:

PA Council Meeting: Ed Vasquez attended their last meeting, but was not here to give report. Peter did pass along that the Council was still discussing the impact of new PTO policy.

OLD BUSINESS:

Bargaining:

Few proposals (4) from IUHR. They include:

-Probation when promoted to new job

-Unpaid suspension for SS – still discussing this one. IUHR will need to offer union something really good for this to pass.

CWA brought many proposals to the table – more opportunities to grieve, to be more involved in processes – to work hand in hand with HR.

Healthcare:

Union Vice President Audrea Davis in on IU committee for Health Care. Committee will meet again on March 31. What is IU offering? Nothing firm at this time.

June went through a few points from report her CWA committee put together. IU is one of the largest companies in Anthem network. Biggest cost is prescription drugs.

We had questions for Audrea to take back for next IU committee meeting. All questions should be emailed to Audrea before March 31 meeting.

CWA will issue a statement in the future, once we have more details of IU plan.

Meeting Adjourned: 6:45
