Lilly Library News & Notes: http://www.indiana.edu/~liblilly/blog/

Scarcely a day passes at the Lilly Library without something of unusual interest coming our way. Our newly-inaugurated blog is intended to share our discoveries and excitement about rare books, manuscripts, exhibitions, speakers, and special events on a regular basis. We hope that this forum will allow us to inform you more quickly about fascinating new acquisitions for example, yet give us an opportunity to describe hidden treasures as well—the sort of thing often said to be “slumbering” undiscovered in the vaults of rare book libraries. We will also offer advance notice about lectures, public receptions and special displays. Our goal is to make the blog fun to read, intellectually stimulating, and informative—and to bring you into the Lilly as often as possible.
