

Experiential and Applied Learning Record

Experiential and applied learning is a hallmark of the IU Kokomo educational experience, particularly the KEY ("Kokomo Experience and You"). Through hundreds of educational trips, retreats, community projects, internships, research opportunities, and more, IU Kokomo students learn to apply their knowledge, collaborate with others, take initiative, develop a mindset for success, and integrate knowledge across disciplines. Visit iuk.edu/key for more information.

IU Kokomo validates all achievements presented on this record. Using an established rubric and a rigorous approval process, IU Kokomo faculty validate each learning experience and supervising faculty attest to each student's meaningful engagement in the experience. Third party recipients who wish to verify its authenticity may do so by emailing a copy to ussevdv@indiana.edu. (Note: achievements reflected by semester may have occurred during only a portion of the semester.)
