Charge to the Board

According to the Policies and Procedures for the Faculty Board of Review at Indiana University East (Section A), the Faculty Board of Review (Board) has the responsibility to review cases involving actions of dismissal, reappointment, tenure, and other grievances concerning the nature and conditions of work, including academic freedom, promotion, salary, and reviews of Faculty.

Report of the Board's Activities for 2018

The Faculty Board of Review was active in Spring 2018 with one case that carried over from Fall 2017, finalizing the negotiations on settlement. An examination and revision of FBR Policy with FAC regarding IU Sexual Misconduct and Research Misconduct Policies as needed to reflect those policies was completed. The Board was active in Fall 2018 with five meetings, reviewing and researching one complaint, which did not become a case.

Recommendation of Charges for the 2019 Calendar Year

- Retain charges as directed by the IUE Constitution

Respectfully submitted by Edwina Helton.
