2011 Annual Meeting

CALL FOR PAPERS AND POSTERS

The Program Committee isn't pulling any punches: we invite proposals for contributed papers and posters for the 2011 Annual Meeting in Indianapolis, Indiana from October 7-11 at the Indianapolis Marriott Downtown. Put on your game face, bring your favorite team jerseys and join us for a wonderful conference in the amateur sports capital of the world!

This year's conference theme is "Faster, Higher, Stronger." Topics may include (but are not limited to):

Taking it to the next level

Knocking it out of the park

Being a team player

Giving 110%

Having your back against the wall

Stepping up and making the play

Controlling your own destiny

Overcoming adversity

In spite of all the sports clichés, consider the successful and innovative approaches your library has used to save time and effort (Faster), success with library champions ([reaching] Higher), or overcoming challenges (Stronger).

Papers and posters may highlight practical problem-solving approaches, local best practices, innovative uses of technology, and other examples demonstrating how your institution is using faster, higher, or stronger approaches to accomplish the task at hand. Contributed paper and poster topics are as unlimited as your imagination.

Contributed papers will be presented on Sunday, October 9th at both morning and afternoon simultaneous sessions.

Posters will be on display on Monday, October 10th from 9.00am until 12.00pm noon. Presenters should be available to discuss their posters during the poster reception from 10.45am to 12.00pm noon.

The Featured Speakers are Margo Coletti, Director of Knowledge Services at Beth Israel Deaconess Medical Center in Boston, and John Green, young adult author and NY Times Bestselling author of Looking for Alaska, An Abundance of Katherines, Paper Towns.
