

General Education Committee

The General Education Committee shall have authority over the IU South Bend campus general education curriculum.

The General Education Committee shall:

1. Approve all courses proposed to satisfy the General Education Curriculum and forward General Education proposals for new courses to the Curriculum Committee.
2. Review the list of approved courses and the general education program annually, and make recommendations regarding needed course development and program changes.
- ~~3. Establish guidelines for and adjudicate student appeals to the General Education curriculum.~~
4. Conduct annual assessment of the general education program, and report regularly to the Academic Senate Assessment Committee.
5. Review and revise course characteristics documents on the basis of annual program assessment findings.

Membership: Nine voting members shall be appointed from the full-time faculty, in consultation with the Director of General Education, from the following units: CLAS (3), Arts (2), Business (1), Education (1), Nursing & Health Professions (1), and Library (1). Members shall serve three-year staggered terms. A chair shall be elected annually from among the appointed faculty members. A student shall be appointed by the Student Government Association as a voting member for a one-year renewable term. The Director of General Education shall be an ex-officio voting member of this Committee.
