Degree revisions

No Status Added to Degree revisions

Action details:

These are the changes we are implementing based on external reviewer Mueller's recommendations:

- Revise the program's mission statement to make it retainable.
 - o In progress
- Revise the J 201 course to focus on backpack journalism.
 - o We met in Fall 2021 and are significantly revising the journalism and public relations concentrations to include more video/audio production, media writing, etc.
 - o New degree will be implemented in Fall 2022.
- Formalize the mentoring program.
 - o In progress
- Incorporate ePortfolios into coursework beginning at the sophomore level.
 - o Beginning in Fall 2022 (with the new degree) we will be using Canvas e-portfolios and will require students to build them in each of our courses. They will start as soon as they take their first Communication course.
- Resolve issues with Intercampus Transfer.
 - o There is not much we can do. This issue is based on students taking online courses from other campuses. We cannot stop this, although we strongly

recommend that students take their major courses with us. We discussed this with advisors as well.

- Develop working and workable partnerships with area newspapers.
- o Department chair has contacted Kokomo Tribune editor about advisory board, interns, etc.
