

Social Responsibility Standards and Expectations

An SRC officer expects the following conditions to be met regarding the **Risk Management Team**:

- The SRC officer(s) are greeted immediately by the door monitor
- The event entrance is under control
- An active, and genuine guest list is present and available
- At least 1 executive monitor on duty is present
- Given the event size, there are sufficient numbers of peer monitors
- Given the event size, there are appropriate numbers of drivers
- The Emergency Contact Information Sheet is present at the entrance

An SRC officer expects the following conditions to be met regarding **Event Control**:

- The event is generally under control and not over-crowded
- monitors are both active and visible in all major areas

An SRC officer expects the following conditions to be met regarding **Event Safety**:

- Floors are in good condition (i.e. trash collected and dry)
- The use of illegal substances is absent from the event
- High risk activity is eliminated
- Event was not shut down or otherwise drastically modified to mislead an SRC officer
- The SRC officers are granted access to all areas within the location of the event
- General state of risk management is in good condition
