

RSS Feeds

The following RSS feeds are available at IU Kokomo as of 12/2008:

- [Academic Affairs](#)
Academic Affairs RSS Feed will be a conduit for the distribution of campus events , especially those supported by academic units both on campus and throughout Indiana University. We will also post information on grants, campus and university initiatives, and general discussions of issue of interest, including articles you may be interested in reading. We will not be posting personal messages, appeals for charitable contributions, the availability of kittens or puppy dogs or other similar items.
- [Alumni Affairs](#)
Stay connected to IU Kokomo and to the Indiana University Alumni Association! Receive announcements about alumni news and events, Commencement information, alumni program highlights and Membership Matters news.
- [Arts & Sciences](#)
The Arts and Sciences RSS feed will feature news about events and activities related to all of the degrees in the School of Arts and Sciences including: Psychology, Sociology, History and Political Science, Mathematics, Biology, Chemistry, Biologic and Physical Sciences, Informatics, English, Communication Arts, New Media Communication, Fine Arts, and Humanities. In addition, we will share information about a variety of courses including the Freshman learning community courses, International travel courses, Spanish, German, French, Music, Theater, Philosophy, Physics, and Geology.
- [Business](#)
The School of Business RSS feed will contain information updates, event announcements, committee meetings, newsletters, items of interest to the School of Business faculty and staff, students, alumni, friends, and other major stakeholders.
- [Chancellor's Office](#)
RSS feed featuring news from the Office of the Chancellor
- [Continuing Studies](#)

The Continuing Studies RSS feed is devoted to the ACCELerated Evening College. All courses are offered in short 8-week sessions. Many of the courses are offered with 50% of the instruction online.

- [Education](#)
Provides Division of Education (DoE) students, faculty, staff, alumni, and friends with information and updates regarding DoE courses, programs, events, and activities. In addition, subscribers will receive the *Division of Education Newsletter* (published weekly), *Center for Early*

Childhood Education Newsletter (published monthly), and [Division of Education News Blog](#) posting updates

- [External Affairs](#)
- [Human Resources](#)
- [Information Technology](#)

The new monthly electronic IT newsletter will be distributed through this RSS feed. Occasionally, this RSS feed may be used for other news items.

- [Library and Learning Commons](#)
Keep up with the newest information resources – receive news and announcements about the Library and Learning Commons and its collections and services.
- [Marketing](#)

The OCM RSS Feed will focus on the dissemination of marketing and communication best practices, helping to keep faculty, staff and alumni abreast of the full range of communication, marketing and media relation services, products and tools that are currently being produced and available to them. Examples include: campus communication plan updates, division communication planning and analysis, design work, media relations, newsletter development & editing, photo services, website consultation and development.

- [Nursing](#)
The Nursing RSS feed will post information about the IU Kokomo School of Nursing, including events, news about our programs, faculty, staff, and student achievements, opportunities for research, as well as information about fundraising events such as the Nightingale Dinner.
- [Physical Plant](#)
The Physical Plant RSS feed will distribute non-critical information about the Physical Plant operations and events.
- [SPEA](#)
- [Staff Council](#)
For communicating about Staff Council events both on and off campus.
- [Student Life](#)
Get involved in campus life! Receive messages about upcoming student events, services and programs, and reminders of important dates. Learn about volunteer opportunities, and receive special announcements from the Office of the Dean of Students.
- [Student Technology Center News & Alerts](#)

Receive News and Alerts regarding IU Kokomo Student Technology Centers and Resources
