PASS/FAIL OPTION

The option which permits students to designate courses to be taken for either a Pass (P) or a Fail (F) grade is available to all students and is limited as follows:

1. Undergraduate students may elect the option for a maximum of two elective courses per calendar year, September 1 to September 1, with a maximum of eight courses to be applied toward graduation.

2. A student may not elect the option for courses in his major or concentration group.

3. Graduate students should consult the chairman of their division for information concerning the Pass/Fail Option.

4. Exercise and approval of the option must be completed by Wednesday, May 31 (First Session), and Tuesday, July 11 (Second Session).

A student who wishes to utilize the option must obtain a Pass/Fail form from his divisional office and secure the signature of the chairman or acting representative of his school or division.

THE COMPLETED FORM MUST BE RETURNED TO THE REGISTRAR'S OFFICE BY 5 P.M., WEDNESDAY, MAY 31 (FIRST SESSION), TUESDAY, JULY 11 (SECOND SESSION).

The grades of A, B, C, and D shall be considered as Pass (P) under this option. In no case will these grades be substituted at a later time in place of a P.

The grade of P is not counted in computing grade-point averages; the grade of F is included.

PROGRAM CHANGES

Any student who alters his original class schedule, whether by personal incentive or by departmental directive, must do so officially by the procedure outlined below. A student who does not assume this responsibility is jeopardizing his record by the possibility of incurring an F in a course not properly dropped and/or not receiving credit in a course improperly added.

1. Students must complete their original registration, **including payment of fees,** prior to dropping and/or adding courses. No penalty fee will be assessed for any schedule changes made by officially registered students on Class Change Day.

2. Students may add open courses, change from one section to another open section of a course, or drop a course by following procedure for Class Change Day. All fees for added courses are payable Class Change Day. No course may be added after the first two weeks of the regular semester or one week in a summer session unless the instructor of the course petitions that an exception be made and the request is approved by the chairman of the division in which the course is offered and the chairman of the division in which the student is registered.

3. Late Drop and Add (after May 24, First Session or July 5, Second Session)

    a. NOTE: Students who want to effect a change after May 24 (First Session) or July 5 (Second Session) will be charged a five dollar ($5) late fee for an addition of a course.

    b. Waiver of the late fee is granted only when it can be demonstrably shown that the University, through one of its officers or officials, is responsible for the late transaction.

4. Students may withdraw through May 31 (First Session) or July 11 (Second Session) by completing the proper forms at the Registrar's Office. All withdrawals through May 31 (First Session) or July 11 (Second Session) will receive a grade of W.

5. After May 31 (First Session) or July 11 (Second Session) students will complete withdrawal forms at the divisional offices; the forms will require the signature of the chairman or his acting representative.

6. All Change of Course forms submitted to the Registrar's Office after May 31 (First Session) or July 11 (Second Session) must also show the instructor's signature and a grade of W or WF. The grade of WF is computed in the student's semester and cumulative grade-point averages as an F.

7. The official withdrawal is not complete until the student has submitted the completed Change of Course form to the Registrar's Office.

TERMINATION OF CLASS ATTENDANCE DOES NOT CONSTITUTE OFFICIAL WITHDRAWAL AND WILL RESULT IN A GRADE OF F.

CLASS CHANGE DAY

1. Students who are already registered for a 1972 Summer Session who wish to add a course, drop a course, change from one section to another section of the same course, or withdraw from the University, should report to the division in which the course is taught to complete the Change of Course form or a Change of Section form. The completed form should be signed by the Divisional Chairman or his acting representative.

2. The above procedure can be completed at the Divisional Offices weekdays May 17 through May 24 (First Session) or June 27 through July 5 (Second Session) from 9 a.m. to 11 a.m. and 1 p.m. to 4 p.m. and on Wednesday, May 24 (First Session) or July 5 (Second Session) from 6 p.m. to 7:30 p.m.

3. On Wednesday, May 24 (First Session) or July 5 (Second Session), students who are effecting any type of a class change should bring their completed and signed forms to the stage of the auditorium in Northside Hall for processing. Class Change Day forms processing can be completed ONLY on May 24 (First Session) or July 5 (Second Session). Any transaction after these dates will be subject to Item 2 under Program Changes and/or Refund Schedule outlined under Fees and Refunds. The hours for forms processing on May 24 (First Session) or July 5 (Second Session) are as follows:

   1:00 – 4:30 p.m.
   AND
   6:00 – 8:00 p.m.

4. Students who have not registered prior to Class Change Day must obtain an enrollment card from their division and go to the stage for late registration. PLEASE NOTE: They must also obtain permission to enroll in a class from the Divisional Offices before going to the stage to register.

FEES AND REFUNDS

All fees are payable at the time of Registration. Fees for residents of Indiana are $20 a semester hour for undergraduate courses and $25 a semester hour for graduate courses; for nonresidents, $40 a semester hour for undergraduate courses and $50 a semester hour for graduate courses.
