In this course, students will begin to explore the personal, institutional, political, and cultural forces that impact the lived experience of being a professional teacher. Possible key questions for reflection include: How does self-knowledge help teachers positively shape their professional lives? How does school culture shape the day-to-day life of teachers and how do you identify a school culture that is right for you? How does the current emphasis on standardized testing impact the life of a teacher and how can teachers positively respond to this? What does it mean to be a role model and what are the challenges and opportunities presented by this social role? What does community mean and how are teachers participants in and facilitators of positive community? Exploration of these questions will occur through student centered, hands-on, and interactive classroom activities
