2. Bowman Visit: Dr. Sylvia E. Bowman, Chancellor for Regional Campus Administration, will be on the IUSB campus from 9 a.m. Monday, February 21, through 5 p.m. Wednesday, February 23.

An informal reception, sponsored by the IUSB graduates of 1972 and the local Alumni Office, has been scheduled for Monday, the 21st, from 3 to 5 p.m. in the faculty lounge. Faculty, students, and all members of the university community will be invited to attend.

Faculty members who have been at IUSB for more than a year and who want to participate in an administrative review planned by Chancellor Bowman during her visit may make appointments by calling Mrs. Meuninck in the Chancellor's Office.

3. Issues-in-Philosophy Lecture: Prof. Ernan McMullin, chairman of the Philosophy Department in the University of Notre Dame, will ask "Is Man Unique?" in the first lecture in a spring series on "Contemporary Issues in Philosophy."

Prof. McMullin will speak at 8 p.m. Thursday (February 3) in the faculty lounge. He holds the Ph. D. degree from the University of Louvain and has been a member of the Notre Dame faculty since 1954. His writings include two books, The Concept of Matter and Galileo, Man of Science.

The lecture series is sponsored by the Department of Philosophy and the Office of Continuing Education.

4. Two-Hour Finals: Faculty members desiring to hold two-hour final examination periods in the current semester should contact Mrs. Duncan, Room N111, Ext. 414, to make the necessary arrangements. Notification must be made by February 11, a week from Friday, at the latest.

5. Blue Cross Rates: Indiana University's committee on insurance and retirement systems was scheduled to meet Tuesday with officials of the Indiana Blue Cross and Blue Shield companies to discuss additional scheduled increases in faculty-staff medical insurance rates later this year.

   Members of the I.U. committee have analyzed claims data and will explore possibilities for holding down the size of the rate increase. The committee observes that rates were increased about 40 per cent in 1970 and 25 per cent in 1971. The I.U. group plan is almost wholly "self-rated," which means that rates depend almost completely on the claims experience of university faculty and staff members and their dependents.

6. Writing Clinic: Dr. Paul A. Parrish, English, reminds faculty of the non-tuition, non-credit Writing Clinic which will be inaugurated by the English Department at 7 p.m. Wednesday, February 9, to serve IUSB students with writing problems. Contact Dr. Parrish or Mrs. Marie Ritter of the associate faculty.
