Subject: Allocation of Council Representatives

The Agenda Committee moves the amendment of Bylaw 4 by the addition of a paragraph as follows. The new wording is redlined. The amendment would become effective with the processes leading to the selection of the UFC for the 1997-98 academic year.

4. The Co-Secretaries of the University Faculty Council shall determine for each campus the number of representatives to which it is entitled from the lists submitted by the President, as required in Section 1.3 of the Constitution of the Indiana University Faculty. The Co-Secretaries shall forward the lists with this determination to the faculty head of each campus legislative body by October 15, who shall certify to the Co-Secretaries of the University Faculty Council no later than the last day of February the names of those faculty members who will represent the campus on the University Faculty Council for the ensuing year. It shall be the responsibility of the faculty head of each campus legislative body to hold elections for campus representatives sufficiently early in the year so that this deadline can be met. The term of office of newly elected members of the University Faculty Council shall commence at the end of its last regularly scheduled meeting of the academic year.

An affected faculty member or the Agenda / Executive Committee of the faculty organization of an affected campus may request the Council's Agenda Committee to change a faculty member's allocation to a campus for purposes of determining the number of representatives to which a campus is entitled. After giving affected campuses an opportunity to make submissions on the matter, the Agenda Committee will report its determination to the Council.
