JOB POSTINGS

**Two Graduate Faculty Positions, Indianapolis*

Indiana University - The School of Library and Information Science - Indianapolis - www.slis.iupui.edu
Either position may be appointed at the tenure-track rank of Assistant or Associate Professor, depending on the candidate's credentials. The successful candidates will provide evidence of excellence in teaching and promise in scholarly production in one or more of the following areas pertaining to graduate studies in library and information science:

- management of information technologies in library environments
- bibliographic access, control, and organization of resources
- digital libraries and multimedia resources
- administration of public, academic and/or special libraries information sources for business, government, science, technology, or humanities

Basic qualifications include: Ph.D. or equivalent and successful professional practice in library and information management. Candidates should be willing and have the ability to adapt to new instructional delivery systems through interactive television and online communications. The Indianapolis campus provides faculty support for innovations in instructional delivery with the advanced networking capabilities comparable to any in the nation. A proven record in use of instructional telecommunications is preferred. Both positions are ten-month, tenure-track appointments with the option to teach up to two summer courses at 20% of base salary. The successful candidates **should be prepared to join the current eight full-time faculty by August 1, 2004.**

Review of applications will begin November 1, 2003 and will continue until the positions are filled. Applicants should send a letter of interest in which they describe teaching experiences as well as other qualifications. A complete curriculum vita and names and addresses for three references should be included. Questions and applications should be addressed to Dr. Daniel Callison, Executive Associate Dean, Indiana University School of Library and Information Science - Indianapolis, 755 W. Michigan, Indianapolis, IN 46202. callison@iupui.edu 317-278-2378 ☎.

The Master's of Library Science program at Indiana University is accredited by the American Library Association. A full curriculum of courses leading to the MLS is provided at Indianapolis as well as Bloomington. Students may take courses on either campus. Indiana University has been nationally ranked among the top schools in library science, information systems, youth services and school library media.

Indiana University is committed to the principle of diversity and is actively seeking to increase the racial diversity of its faculty.

The Indianapolis Campus - www.iupui.edu

Indiana University Purdue University at Indianapolis is a leading urban campus of over 27,000 students. As a part of the recently renovated central convention and business areas of the capital city, the campus is adjacent to new structures housing government, museum, athletic and cultural institutions. The expanding metropolitan Indianapolis campus offers the largest range of academic programs in the state combining the best from Indiana University and Purdue University. In addition to library science, IUPUI is a center for professional schools in medicine, law, nursing, education, philanthropic studies, and informatics.
