May 7, 2011

Business completed by the 2010-2011 Academic Affairs Committee includes, but is not limited by, the following milestones:

1. Investigation, review and recommendations for more than 150 student and faculty-generated petitions.
2. In collaboration with the Registrar's Office and with the guidance of the AAC ad-hoc Committee on Academic Withdrawals, the committee completed the Attendance and Course Commitment Policy. This proposal was passed by the Academic Senate on April 29<sup>th</sup>, with an effective date of Fall, 2011.

This committee is a dedicated, hard-working group who is committed to ensuring that the high levels of academic integrity that is inherent to our institution be upheld, while at the same time considering the unique needs of each student. It was a pleasure and honor to work with them.

***Members of the 2010-2011 Academic Affairs Committee are as follows: Faculty: Jane Eggleston (co-chair, presiding), Julio Hernando, Daniel DeBrule, Hong Zhuang, Teresa Dobrzykowski (co-chair, on sick leave in Fall 2011); Registrar's Office: Jeff Johnston & Terri Langel. Note—our student representative moved this semester and was not replaced.***

Respectfully submitted,
