SPEECH NIGHT

December 1, 1997

Recital Hall, Northside 158

7:00 pm

Beginning in the Fall of 1982 and continuing for over ten years, the students in S121, Public Speaking, selected a student from each section of Public Speaking to represent the class in an event showcasing the skills of the students. This event has not been held for several years. However, the Division of the Arts is pleased to return to the tradition. One student from each of the sections of Public Speaking presented a persuasive speech in one of the Preliminary Rounds. Two students from each of the Preliminary Rounds were selected to present their speech tonight.
