April 7 is World Health Day! World Health Day, sponsored by the World Health Organization (WHO), has been celebrated since 1950. World Health Day is not only a commemoration of the founding of WHO, but also a day in which WHO shines a spotlight on an important global health issue. This year, the focus is on hypertension. The World Health Organization believes in the power of prevention and treatment through education -- all the more reason to celebrate at the library!

#### Digital Library Brown Bag: April 10

Please join us **Wednesday, April 10**, for a digital library brown bag presentation by Emilee Mathews and Erin McCall. The presentation will be held at the Herman B Wells Library, room **043**, from **12:00pm - 1:00pm**.

*Image Access in the Arts and Beyond: Implementing Shared Shelf at*

### *IUB Campus*

Emilee Mathews, Interim Head, Fine Arts Library, Arts & Humanities Department  
Erin McCall, Intern, Fine Arts Library  
IU Bloomington Libraries

IUB Libraries' subscription to Shared Shelf, an image and media management software for hosting and cataloging locally owned images, is an exciting development for visual disciplines -- but many decisions need to be made in order to effectively deploy this tool. This presentation will discuss our collaborations and processes implemented for establishing sustainable policies and workflows. Our ultimate goal is to promote and integrate interdisciplinary image use, and we will discuss our backwards-design approach, including implementing a pilot project, evaluating legacy data, and establishing partnerships to reach out to faculty across campus.

Presentation slides and audio will be available via the Connect Meeting Service (formerly known as "Breeze"). Go to <http://breeze.iu.edu/diglib> to view and listen to the presentation. If you are not a registered user for Connect Meeting/Breeze, select the "Enter as a Guest" option.

You can also follow and contribute to the presentation and discussion on twitter: #dlbbspring2013.

The Digital Library Brown Bag series is held most Wednesdays this spring semester. All presentations are in the Herman B Wells Library, room E174, from 12:00pm -1:00pm, unless otherwise noted. The complete schedule, including abstracts, is available on:<http://www.dlib.indiana.edu/education/brownbags/>.

To receive a reminder and an abstract for each presentation, send an email to [tolulist@iulist.indiana.edu](mailto:tolulist@iulist.indiana.edu) with the message body:

### **Upcoming Application Deadline for the InULA Research Incentive Fund**

The InULA Research Incentive Fund is intended to encourage and support research by providing funding for research projects of any size or scope. All applications will be considered on their merits. In the case of equally meritorious proposals, those of non-tenured librarians may be given priority, because it is often difficult for beginning researchers to obtain research grants.

The guidelines, application, and other information may be found at:<http://www.indiana.edu/~inula/opportunities/index.html>.

Applications for InULA Research Incentive funds to support research, professional development, or service are due on **Monday, April 15**. Applications are reviewed after the deadline by the InULA Grants and Scholarship Committee and recommendations made to the Executive Board for approval and funding. Notice of awards is provided to the applicants as soon as possible.

### **New Library Display in Wells Library**

A new display celebrating World Book and Copyright Day (Tuesday, April 23) is on display on the sixth floor of the East Tower in the Herman B Wells Library. Tuesday, April 23 marks the date when prominent writers Miguel de Cervantes Saavedra (Spain), William Shakespeare (England), and Inca Garcilaso de la Vega (Peru) all died. Established by UNESCO in 1995, this observance seeks to pay tribute to books and authors, encouraging people, especially young people, to discover the pleasure of reading.

## News from New IUCAT

Guest post by Courtney Greene: "Back to the Future with IUCAT Beta"

After a little more than two years, the IUCAT Beta project is gearing up for its final phase - making the transition to becoming the primary user interface for our shared statewide online catalog.

In this week's post, Courtney Greene, the Digital User Experience Department head, provides an IUCAT Beta history lesson. She explains:

- The *how* and *why* of the new catalog, IUCAT Beta
- The process of how IUCAT Beta came to be IU Libraries' new online catalog
- The technology choices behind IUCAT Beta

Lastly, Courtney explains why IUCAT Beta improves overall user experience in the catalog (hint: it's more than just a back button that works).
