Digital Library Brown Bag Panel

Greetings! Please join us this coming Wednesday, March 9, 2011 for a digital library brown bag panel presentation by

Dot Porter, Jennifer Laherty and Robert McDonald . The presentation will be held at the Herman B Wells Library, room E174, from 12:00-1:00pm.

The Times They Are A-Changin': Preservation of and Access to the Digital Output of Researchers

Dot Porter, Jennifer Laherty and Robert McDonald Digital Library Program / IU ScholarWorks / Library Technologies and Digital Libraries

IU has developed a number of strategies for dealing with the digital scholarly output of IU faculty. In this session, information managers will outline these strategies and discuss plans for the future. Laherty will discuss the IUScholarWorks program which aims to make the digital output of IU scholars available and to ensure that these resources are archived, preserved and organized for the future. In this presentation, Laherty will briefly demonstrate IUScholarWorks services and explain its benefits, including the strategies for preserving records. Porter will examine the various ways that the Digital Library Program supports the preservation of faculty scholarship in the broad sense and will examine in more detail a few specific faculty-led projects the DLP has supported in the past. In addition, she will review DLP's participation in initiatives throughout the Libraries and across campus that support preservation of digital work through shared file formats, best practices, and shared infrastructure and technologies. Finally, McDonald will review IU's plans for research data curation and management.

Presentation slides and audio will be available via the Connect Meeting Service (formerly known as "Breeze"). Go to to view and listen to the presentation. If you are not a registered user for Connect Meeting/Breeze, select the "Enter as a Guest" option.

The Digital Library Brown Bag series is held most Wednesdays this spring semester. All presentations are in the Herman B Wells Library, room E174, from 12:00-1:00 pm unless otherwise noted. The complete schedule, including abstracts, is available on the Digital Library Program web site:

IULFC Spring Meeting

The Spring meeting of the IU Librarians Faculty Council is planned for Friday, March 11, 2011 from 1:30-3:30pm.

Please plan to attend the next meeting of the IULFC. These meetings are for more than just the representatives and chairs of IULFC committees- they are open for all IU Librarians to hear what activities and concerns we share. At this meeting, we will be discussing the progress made in the new online (to some of us) annual report form for Librarians - the "eFAR" as modified by our Faculty Standards Committee – both pros and cons of the implementation and how we can make improvements. Changes in P & T procedures (mostly for Bloomington Librarians to conform to university wide norms) will be reported by the new ad hoc P & T Taskforce. Standing committees will have reports and the Dean of Bloomington Libraries will share her Report of the recent Council of Head Librarians meeting. We meet via teleconferencing from a room on your campus- to make meeting more convenient. See you soon.
