

# Physical Plant

## **Mission Statement:**

Indiana University Kokomo's Physical Plant serves as campus host, providing a pleasant, healthful, and safe environment for students, faculty, staff, and others who use IU Kokomo's facilities.

As an integral part of the university, the Physical Plant is committed to providing high-quality, personalized service and fostering a pleasant, efficient work environment. Our staff is dedicated to maintaining our amazing resources, planning for future growth, and bringing peace of mind to everyone who visits our campus. Through honesty and teamwork, recognition and reward, we have created a culture of cooperation, friendship, positive self-esteem, and loyalty. We know that in order for our team to be productive, we must ensure their happiness and financial security, thus ensuring the overall success of IU Kokomo.

Our employees receive the best possible training, materials, and equipment, and administrators are open to employees' input and ideas. We believe that our employees are our most valuable resource and our most important asset.
