Ivy Tech and Indiana University Kokomo inviting employers to register for upcoming spring job fair

KOKOMO, Ind.—Ivy Tech Community College and Indiana University Kokomo will be hosting its annual Kokomo Area Job Fair and is inviting employers who may be hiring soon to register for the event. The Kokomo Area Job Fair will be held from 10 a.m. to 2 p.m. on Thursday, April 4, at the Kokomo Event & Conference Center.

Last year more than 1,500 job seekers attended. This year planners of the event are expecting an even bigger crowd. A new feature is being added this year. There will be free LinkedIn workshops at 11 a.m. and 1 p.m. in conjunction with the job fair. A photographer also will be on site to take professional photos of those who need them.

The job fair is free to job seekers. It is a great way for employers to connect with well-qualified, soon-to-be Ivy Tech and Indiana University Kokomo graduates as well as prospective employees from throughout the region. Registration is free for all participating employers.

Employers who want to register for the Kokomo Area Job Fair or who want more information can contact Jen Nichols, director of Career Services, at 800-459-0561, ext. 222, or jnichols9@ivytech.edu. The event is co-sponsored by Ivy Tech Community College, IU Kokomo, WorkOne, Z92.5, Rock 98.5 and WIOU.
