IU Librarians Networking Colloquium

The Indiana University Librarians Association and the IU Council of Head Librarians is happy to announce a one-day networking colloquium to take place on Friday, June 15, 2018, at the University Library on the IUPUI campus. This professional development event is an opportunity for state librarians and staff from the many IU system libraries who are working in similar roles and on similar projects to share their experiences from the past year. Taking the form of moderated roundtable discussions, attendees can relate challenges, triumphs, achievements, and plans for the future. Aside from an opportunity to solicit and receive advice from professional peers, this networking colloquium would offer attendees the opportunity for collaboration, inspiration and to simply gain a better sense of the work done around the IU community. It is also an opportunity to discuss shared IU services and resources. We highly encourage student attendance as well.

The afternoon will feature a guided tour of the Indiana State Library Archives and lunch will be provided thanks to the Council of Head Librarians! Please contact Stephen Craig Finlay (scfinlay@iusb.edu) to RSVP for this event.
