Upcoming Application Deadline for the InULA Grants Fund

Need monetary support for research or research-related activities? The InULA Grants Fund is intended to encourage and support research by providing funding for projects of any size or scope. Grant applications are now being accepted through October 16, 2017. Guidelines and application information can be found at: http://www.indiana.edu/~inula/wp_2012/inula-research-incentive-fund-guidelines/.

You must be a current member of InULA to be eligible. The InULA Grants and Scholarship Committee will review grant applications using a rubric. In the case of equally meritorious proposals, those of non-tenured librarians may be given priority because it is often difficult for beginning researchers to obtain research grants. Recommendations will then be made to the InULA Executive Board for approval and funding. Notice of awards is provided to applicants as soon as possible.

Can't get an application in by October 16? Other fund deadlines are January 15, 2018 and April 15, 2018.

Please contact the committee chair for more information or with questions.

Staff News

Mary Buechley Retires

It is with personal sadness but with great happiness for Mary Buechley that I officially announce her retirement from the IU Libraries. Mary has been a longstanding authority in the fine arts library, and an indescribably helpful and good natured colleague in the Indiana University Libraries. Mary has been a wonderful help to Arts and Humanities as we work to hire a new librarian for art, architecture, and design. Mary has been graciously sharing her experience and knowledge with Arts and Humanities, helping us to better understand what these departments need from the library as we move forward. I will miss Mary, and I value that I have had the opportunity to learn from her experience. In spite of the short time we were able to share with Mary, I am truly thankful for her impact on me as well as the department
