Call for InULA Motto Suggestions and Comments

The Indiana University Librarians Association (InULA) would like to welcome suggestions and comments for a new, more inclusive motto. Currently, the motto that appears at the top of the InULA website (www.indiana.edu/~inula/wp_2012/) reads: "Librarians serving Librarians". As we strive as an organization to be more inclusive in our membership to the whole of the IU Libraries community, the InULA Board would like members of InULA and the IU Libraries community at large to suggest a new motto for our website to better reflect our organization's structure and mission. The Board would also like to thank the Membership Committee and Constitution and By-Laws Committee for their work to restructure and include more diversity in InULA membership at all levels.

Suggestions will be gathered using a Google Doc, which can be found here: <http://bit.ly/2Ut5qE0>. You may contribute your suggestion anonymously or attribute your name, whichever you prefer. The Board will take into consideration all suggestions for a new InULA motto, and propose a vote to change the motto to general InULA membership at a later time.

We would appreciate any suggestions or comments no later than June 30.

Librarians is happy to announce a one-day networking colloquium to take place on Friday, May 31, 2019, at the Robert McKinney School of Law, Ruth Lilly Law Library, Indianapolis.

This professional development event is an opportunity for state librarians and staff from the many IU system libraries who are working in similar roles and on similar projects to share their experiences from the past year. Taking the form of moderated roundtable discussions, attendees can relate challenges, triumphs, achievements, and plans for the future. Aside from an opportunity to solicit and receive advice from professional peers, this networking colloquium would offer attendees the opportunity for collaboration, inspiration, and to simply gain a better sense of the work done around the IU community. It is also an opportunity to discuss shared IU services and resources.

Craig Stuller Announces Resignation

Library Technologies Core Services is sad to announce the resignation of Craig Stuller. Craig's last day at the Well's Library is today (Friday, May 24). Craig began his employment at the Library in June 2015. He has been a well-respected and valued member of the LTCS family. We are disheartened to see him leave. Craig will be moving to Chicago to pursue his career in web development. Please join us in wishing him well in his future endeavors.
