TOPIC	DISCUSSION	ACTION
Approval of Minutes of September 18, 2006	Two typos were corrected.	Approved
<p>President's Remarks: Marilyn Kintzele UFC has directed all campuses to work from a list of 88 total courses that have transferability among public universities. When the process is completed we will have a matrix of common general education core courses within Indiana University.</p> <p>The total General Education Program on each IU campus is specific to that campus and the IU Mission Differentiation project pointed toward the desirability of those differences.</p>		None Required
<p>Chancellor's Remarks: Chancellor Person Our strategic plan has been completed and placed on the Web. In addition, the United Way drive is underway.</p>		None Required
<p>Vice Chancellor's Remarks: Vice Chancellor Green Vice Chancellor Green discussed the Stopping the Tenure Clock proposal and General Education. He reported on the status of degree programs.</p>		None Required
Mohammad Meybodi, chair of the Graduate Affairs Committee, presented an information item announcing the new Master of Science in Education degree.		None Required
Todd Bradley, Faculty Senate Vice President and Chair of the Faculty Affairs Committee, discussed proposed amendments to the Claude Rich Award.	Discussion centered on whether the award could be won more than once.	None Required
Todd Bradley, Faculty Senate Vice President and Chair of the Faculty Affairs Committee, discussed creating a policy for stopping the tenure clock.	After discussion, Todd Bradley indicated that the Faculty Affairs Committee would bring a proposal for such a policy before the faculty at a later date.	None Required

Respectfully submitted by
Scott Jones, Secretary
