

IUSB NEWSLETTER

Chancellor's Office
December 3, 1969

No. 11 -- 1969/70

1. United Fund Report: Contributions and pledges to the 1970 United Fund by faculty and staff at IUSB totalled almost \$3,000.

Thanks to all givers on behalf of 36 community agencies which will benefit from the Fund.

2. Events Calendar: With today's newsletter, you will find a cultural events calendar covering the period from December through May. If you know of any events which do not appear on the calendar, Walt Collins will appreciate hearing about them.

One change and one addition should be noted for December: The Dec. 11 film will be "King Kong" rather than "Baltic Express." And on Dec. 20, the IUSB Christmas Dance will be held at the Erskine Country Club.

3. Faculty Grants: Four IUSB faculty members have been awarded Grants-in-Aid of Research. They are:

Dr. Thomas A. DeCoster, Assistant Professor
of Economics.

Dr. Charles R. DuVall, Assistant Professor
of Education.

Dr. Paul H. Scherer, Assistant Professor
of History.

Dr. Roy E. Schreiber, Assistant Professor
of History.

4. Referee: Dr. Harold J. Babrov, Associate Professor of Physics, has been asked by officials of the American Institute of Physics to referee manuscripts submitted for publication in AIP journals.

Refereeing involves the checking of calculations in the manuscripts. Dr. Babrov has performed the service in the past for the American Institute of Physics and for the Journal of Molecular Spectroscopy.

5. Treasurer: Dr. Geraldine M. Huitink, Assistant Professor of Chemistry, has been elected treasurer of the St. Joseph Valley Section of the American Chemical Society.

6. Meetings and Events:

- | | | |
|------------------------|----|---|
| Thursday
